- ✓ Passion in Learning

ABOUT ME

Oregon State University (2022) student in Applied Computer Science from Kyrgyzstan.

Love learning languages: Russian, Kyrgyz, Spanish, Japanese, programming.

Love reading: Russian literature (yes, I would love to reread "War and Peace" by Leo Tolstoy)

"Alima" = "Scientist" / "The One Who Knows Everything" from Arabic. I am justifying my name's meaning 😊.

Experience

Web Content Assistant (November 2021 – June 2022):

- Web maintenance and upgrades for OSU departments' websites via Drupal management system
- Analytics, reporting, editing, and content creation
- Work with sensitive data.

Web Application Developer (April 2021 – February 2022):

- Lead developer role for work with integrated library system (Alma/Primo) backend
- Technical document writing & UI/UX testing
- Development of a website featuring library e-books.

Front-End Engineer Intern at Amazon Web Services (Summer 2021)

- Design & build rich data-driven website within AWS Calculator team
